In Our City

In collaboration with Black Water Rising
& Catalyst Network of Communities

An ongoing presentation series bringing forward information on local issues of climate change, pollution, and access to non-profit resources within Southern California. Please join us in creating a community space to discuss the important matters affecting our city

Saturday, September 14th 6:30-7:30pm

Artisan Work Lab

12907 Hadley St Whittier, CA 90601

(Free public parking across the street opposite Rite Aid)

Snacks and Drinks Provided

Please RSVP at blackwaterrisingca@gmail.com

(So we can make sure to bring enough snacks!)
